

Aichi Goodwill Guides Network

Are you looking for English-speaking volunteers ?

Aichi Goodwill Guides Network (AGGN) is a non-profit organization, established in 1999, to provide volunteer guides for sightseeing in Aichi Prefecture or to provide volunteer interpreters in various meetings. AGGN has approximately 170 volunteers who can serve you by speaking in English. Some other languages are also available.

- ★ When you need guides for sightseeing, contact with our secretariat through E-mail, fax, or telephone at least two week before your scheduled date.
- ★ Although no guide fee is charged, all entrance fees, transportation, food and drink costs for the guide(s) during the tour will be paid by the person(s) requesting guide service.
- ★ You will also enjoy our sightseeing tours of Nagoya Castle on every day afternoons of a week. Other English-guided tours of several sightseeing attractions, such as Toyota Commemorative Museum of Industry and Technology, Atsuta Jingu Shrine, Osu Shopping Arcade, or Old Town of Arimatsu, are also available on request.
- ★ Please feel free to ask any questions about AGGN or our volunteer work.
